Indigenous People's Week, Oct. 11-13, 2021

Dear Councilwoman Robinson,

My name is Aliyan Cortez and today I will be talking to you about water. And I go to Wendell Phillips. I'm in the 4th grade. Water is so so important because if we don't have water then we would not be healthy and many more reasons. We read a book about water. If we won't be able to take bath, showers or go to a pool if we don't have water.
